

# Jankowski

Mrs. Jankowski is the environmental teacher at Blue Skies High. She knows all about biodiversity, pollution, and ecosystems, and if you ask her any question, she is sure to know the answer to it. Mrs. Jankowski is widely liked by her students, especially since she takes them on a trip to the zoo every year. Although Mrs. Jankowski can get sad by the environmental news she sees in the media, she is optimistic and is making strides to spread the word about climate change. Build your own Mrs. Jankowski to help make the world a better place.
